NEWSLETTER

JUNE 2013

FROM YOUR COMMANDER

John Domonkos (2012-2013)

This will be my last message to you as your Commander. The past 12 months have been an incredible experience and one that I will always cherish. I enjoyed working with all the officers and members and travelling with them all around the country and just being in their company. I would like to thank all the people that have assisted and provided guidance, Frank Green, Shirley, George Odell, Noland Buckner, Becky Buckner, Fred Brown just to name a few.

As your commander, it allowed me to have the mid-winter in Toronto with the chance for some of you to fly the

Harvard, Chipmunk and the Pitts with good food and great company.

I have also registered two websites for 10 years: www.isaaforkids.org

Please checkout our website and register for the Newsletter. If you have succeeded then you will get a confirmation email sent to you.

This allows us to give any member his own Email address such as:

If you wish to have your own email please send me an email:

I will then send you the user name, password and setup information.

This is to advise that Frank Green, our Secretary/Treasurer is in the Hospital. He had a Laryngectomy that was successful but he suffered a stroke effecting his right leg and right arm. He is undergoing rehab and his right foot getting stronger. His right arm is still immobile as they all hope to strengthen it with rehab. He is in 3 therapy groups twice a day.

We all wish Frank speedy recovery and he will be in our prayers. Frank and Shirley will not be attending in Indianapolis but they will be thinking of us.

It has been an honor to serve as your commander 2012 -2013 and I cannot thank you enough for allowing me this opportunity.

Yours in the faith, John Domonkos
